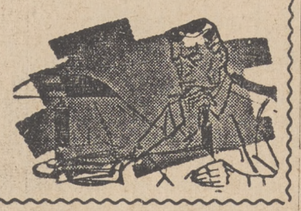
The DIMMER VIEW

by Max Goodwin



The Tired Policeman

An item appeared in the "PEACE OFFICER" magazine several issues ago with an idea that lingered.

Under the title "I Am A Tired Policeman" the article, edited slightly for space, read:

I Am Tired of so-called law abiding citizens telling me to go catch criminals when they have violated traffic regulations.

I Am Tired of persons arrested for felonies teling me that I am going to be in trouble for arresting them — when they have been caught in the act.

I Am Tired of juveniles who have nothing beter to do than steal gas, vandalize schools, churches, libraries, homes and gardens.

I Am Tired of sociologists, anthropologists, and other self appointed experts who know nothing of police work or have never ridden in a police car, telling me how to do my job.

I Am Tired of hand-wringing do-gooders telling us that criminals who steal, rob, mug and shoot citizens are not bad, just misunderstood.

I Am Tired of hearing that "the younger generation members are only doing their thing," "If it feels good, do it" and "If it feels good, why is it bad?"

I Am Tired of the police being the underdog and the criminal released to go out and prey on law abiding citizens.

I Am Tired of the police being handcuffed and blamed for every social ill that comes along.

What Would Happen if the honest citizen and the police took the hippie code to heart ("I am only doing my thing — if it feels good, do it")? Picture a punk who has just assaulted an elderly woman and injured her enough to put her in the hospital — and he is caught immediately by either a citizen or police officer. What would happen if the suspect was hit where it did the most good (if it feels good, do it)?

Then listen to the do-gooders!

Salute to Veterinarians

The San Diego County Veterinary Medical Association sponsors the animal "shoot" to be held in this area during the week of January 11.

Members of the Association contribute their time in the rabies vaccination clinics as a public service.

Two-year antirabies shots will be administered for a fee of $2 and at no cost to the taxpayer.

The locations are: Jamul school, Jan. 13;
La Mesa Pool, Jan. 12;
CdO Fire Station, Jan. 11, and
San Altos School, Jan. 13

Service will be provided at all four locations 7-9 p.m.

Those who prefer may make an appointment and have the shots given at any veterinarian's office. In that case the charge may differ.

The above is for dogs only. For fear of being charged with discrimination, a search was made of the files on cats. Useful information about cats was also supplied by the SDCMA. Because the cat has been featured in myth and legend throughout history, many fallacious beliefs regarding the feline nature persist to this day.

Nowadays very few people still believe that a cat has nine lives or that it sucks the breath of newborn babes, but the belief that a cat "always lands on its feet still survives.

Severe injury and even death can result from a cat owner experimenting with his pet's ability to always land on its feet. Children especially are apt to test the truth of of this folk saying.

Putting the cat out at night is another ritual that needs examination. Although felines are nocturnal animals, prolonged roaming in the cold, damp night air can predispose the domestic cat to respiratory disease.

Cats are not fond of immersion in water, although most adult cats can swim. They are not born with this knack, however. Kittens cannot swim and occasionally are the victims of bathtub drownings.

As a final word, the veterinary association urges you to love your cat as you would your dog — and try to separate fact from fiction.

S.V. Marijuana Grower Gets Year in Honor Camp

SAN DIEGO (CNA) — A Spring Valley man who pleaded guilty to possession of marijuana was sentenced Monday in Superior Court to a year in the honor camp, as a condition of three years' probation he was put on.

Robert Isaac Snyder, 24, of 1045 Gillespie dr., Spring Valley, was arrested Sept. 26 after the sheriff's office received an anonymous report that he was growing marijuana in the yard at his residence.

A deputy checked the report and found that Snyder was already on probation, with a condition that he waive his right to demand a search warrant for any check on his home.

The deputy's report said marijuana was found. The defendant was not present, but his wife was. The deputy arrested Mrs. Carolyn Snyder and was on his way with her to the Lemon Grove sub-station, when Snyder was seen going to his home.

The deputy went back and arrested Snyder, who said his wife knew nothing of the marijuana. She was subsequently released.

Snyder has been in the county jail since Oct. 20, not able to make the $15,000 bail set for his release. On Nov. 4, he pleaded guilty to possession of marijuana and a charge of cultivating marijuana was dismissed by Judge Robert O. Staniforth. It was Judge Eli Levenson who pronounced judgement Monday. The judge gave him credit on his year in custody for the time he has already spent in jail.

Film Set At Park

A color film will be shown at the Natural History Museum, Balboa Park, Saturday and Sunday. Members are admitted free, as are visitors already in the Museum.

The Saturday film will be shown at 3 p.m. and Sunday showings are 1:30 and 3 p.m.

The film is about one of the most dangerous and active volcanoes in the world, the active submarine volcano Krakatoa located in the Indian Ocean.

One of the greatest natural disasters in recorded history was the eruption of this volcano some years ago when the force of its explosion was so great that people lost their lives thousands of miles away from the tidal wave.

MIRROR, MIRROR on the wall — Carmella Alesi, one of the members of the card bearers for the Mount Miguel High School marching band, gets her hair done for her coming trip to the Rose Parade. James Hall College of Beauty in La Mesa volunteered to fix the hair for the girls as a community service.

LG Fire Report

Two fire calls were the extent of the outside activities of the Lemon Grove Fire Department for the week of Dec. 21-28.

On Dec. 21 at 3:52 p.m., firemen went to 2106 El Prado. There Rex Wells was putting together a vehicle, not for the highways, and using a cutting torch, set the vehicle afire. However, no damage was reported.

On Dec. 21 at 12:42 a.m., men and equipment "stood by" at Spring Valley Station No. 1, while that unit was out on a S.V. fire.

Re-Filing Due For Business Firm Names

R. B. James, the County Clerk, this week clarified the 1971 fictitious firm name statutes.

Every individual, partnership, association or corporation who regularly transacts business for profit in the State of California, must file a new fictitious name statement and one copy with the County Clerk by July 1.

All certificates on file prior to Jan. 1, 1971 will expire on June 30.

The new filing fee is $10. Formerly it was $2.

Publication of the new statement is not required unless there has been a change in the information required in the new statement.

If there has been a change in the residence address of any of the owners, a change in ownership, or a change of the name of the firm, the certificate must be republished.

If there has been no change in the information required application should be made at the County Clerk's office, 220 West Broadway, San Diego. There, a certificate of registration will be supplied without charge. Certification will be made without charge, also. At this point the $10 filing fee must be paid.

If republishing is required, it must be done in an adjudicated newspaper such as the one in which this notice is being published.

Japanese Artwork At Fine Arts Gallery

A new selection of contemporary prints by two leading Japanese artists will be available in the art sales and rental gallery at the Fine Arts Gallery of San Diego during the month of January.

Works by Kenji Ushiku and Joichi Hoshi will be made available to local collectors.

The art sales and rental gallery is open Wednesday thru Saturday, 10 a.m. to 4 p.m. and Sunday 12:30 to 4 p.m. It is closed Monday and Tuesday.

UNDER THE DRYER — Marcie Ward, of Mount Miguel's marching band, gets her lovely locks dried at James Hall College of Beauty. Marcie was getting the treatment so her hair will be representative of Spring Valley when she marches in the Rose Parade with other members of the band tomorrow.

Local Man Chairs Committee To Eye Unethical Auto Firms

A Lemon Grove man is chairman of a "watchdog" committee to protect unwary auto owners from being gypped by unethical auto service firms.

The man, Jim Jensen, who has operated a repair service in Lemon Grove for three years, operates the committee under the sponsorship of CARS Network. CARS is the acronym for Committee on Auto Repair and Services.

While Jensen is the chairman, he made it clear that he does not evaluate the complaints that may respond to CARS offer.

CARS Network is comprised of about 50 members of Independent Garage Owners of San Diego. In turn, IGO SD is part of a statewide organization.

CARS is an agency set up specifically to take action against unethical operators in the repair industry.

The local grievance committee is comprised of owners or foremen who are experts in the various elements of auto repair such as paint and glass, service stations, repair, parts, transmissions and the like. Additionally, a member of the district attorneys office and one from the Better Business Bureau are also on the committee.

A complainant may contact CARS Network by writing Post Office Box 821 in Lemon Grove. A committee member will respond. He will evaluate the complaint after the motorist fills a complaint form. Next he will contact the firm against which the complaint is made. Then he will examine the work on the vehicle. As unbiased experts the opinion has considerable weight in court, it is believed. Members also serve as expert witnesses.

"It is not hard to tell whether an auto has the work and parts done on it," Jensen said. "Usually, the unethical firm will make quick restitution when confronted by the opinion of an expert," Jensen said.

According to IGO, the program is not limited to members of that organization. All interested groups and individuals in the repair industry plus law enforcement agencies, Chambers of Commerce and Better Business Bureaus all over the County are being urgently invited to participate in this industry effort to improve the quality of service to the motoring public.

Pipe Passing Brings Arrest

Four persons were taken into custory December 11 in Spring Valley after Sheriff's deputies spotted them passing a pipe on Dictionary Hill at 9:05 p.m.

Arrested were Larry Young, 22, Cliff Johnson, 21, Barry Zani, 20, and Gary Hemsoth, 23. None of the suspects gave local addresses.

Deputies, upon proceeding to the scene, found the pipe smoldering near to where the suspects were standing. The pipe was about half filled with marijuana.

Also found was a small quantity of marijuana near the pipe, and a small quantity in the suspects' vehicle, which was near the scene.

Turkey Winners Named In Newspaper Contest

Thirty-two families were made happier last week when they were judged winners in the "turkey draw" sponsored by this newspaper.

Each of the 32 participating firms drew a winning name from a box in which contestant had placed a coupon with his own name, address and telephone number. All were notified by phone that each had won a 15-pound tender, turkey. There was nothing to guess or buy.

Listed as winners at press time this week were the following persons — and the firm from whom the turkeys were won.

Federal Benefits May Stop

Local offices of the California Department of Human Resources Development on December 28 began notifying persons who are receiving federal unemployment insurance benefits to anticipate a temporary interruption in payment soon.

Federal funds for payment of benefits to former civilian employees of the United States Government and to former members of the Armed Forces are nearly exhausted.

If the depletion point is reached, it will be necessary to suspend payments until the Federal Government makes additional funds available.

California state unemployment insurance benefit payments will not be affected.

If an interruption of federal payments actually occurs, claimants should continue to report and certify to their unemployment in the usual manner. If they do, they will be paid the suspended benefits when funds are available. Otherwise, the back payments cannot be made.

The preliminary notice is being given to claimants so they will not be taken by surprise. If federal insurance payments are interrupted, each claimant will be instructed at that time.

Voters Lose Registration

More than 160,000 votes will be missing from the polling places in four local political subdivisions — unless those voters who failed to vote last year re-register.

The total, 160,862 to be exact, were spread over state, county and national office elections.

For example, in Wadie Deddeh's 77th Assembly District, there were 26,041 cancellations, cutting the total registered voters to 75,632.

In Clair Burgener's 38th State Senatorial District, 55,725 cancellations dropped the total to 196,388.

In Lionel Van Deerlin's 37th, U. S. Congressional District, 47,865 voters were cut leaving 135,222, and in Harry Scheidle's Third Supervisorial District the cancellation was 31,231, leaving 104,215 registered voters.

It is not possible to ascertain how many voters make up the 160,862 votes since districts are comprised of different totals of voters and they overlap in any given area.

Countywide, enough voters lost registrations to make a total of 653,523 votes if he voted in every city, county state and federal district. No matter how many voters that total represents, there will still be 427,248 voters registered as of the end of this year.

First Stage Of Rancho S.D. OK'd by Sups.

Approval was given Tuesday by the County Board of Supervisors for the first unit of Rancho San Diego.

The gigantic development, a part of Monte Vista Ranch, just east of Spring Valley, will eventually cover 6,000 acres and have a population of 75,000 residents.

The first increment will house a population of 3,000. This will be a 901-unit cluster development on 146 acres.

The applicant, Associated Land Co., has reserved land for a future elementary school, a junior high school, and two four-acre parks.

Zone changes and a special use permit will become effective when the developer submits a final subdivision map.

Chestmobile Schedules Cancelled

The County of San Diego Department of Public Health cancelled all Chestmobile schedules throughout the county until further notice.

Dr. J. B. Askew, director of public health, said the Chestmobile has been repaired so many times that it is now in an almost chronic state of overhaul.

"When it is repaired," he said, "it will be kept at the Primary Health Center in San Diego and operated at this location until we are sure that it will function properly."

Dr. Askew said that until the Chestmobile can be fixed so it will operate, persons needing chest X-rays may have them taken at the Primary Health Center at 1600 Pacific Hwy. X-ray hours are from 8 to 11:45 a.m. and from 1 to 4:45 p.m. Monday through Friday, except holidays.

This is the first time in more than 20 years that the Department of Public Health has had to take the Chestmobile completely out of community service for a prolonged period of time. The Chestmobile first went into service March 15, 1949.

Women To Meet

Lemon Grove Woman's Club will meet at the clubhouse, 2810 Main st., January 8, at 1:30 p.m.

"Smiles, Songs & Squirrels" will be presented by Florence Hinton and her trained squirrels.

Italian Catholic Federation Inaugurated At St. John's

The Italian Catholic Federation, Chapter No. 251, has been inaugurated at St. John of the Cross Parish in Lemon Grove with Rev. Patrick J. Kearney, pastor, appointed as its chaplain.

Rev. Batista Vespa, Missionary for the I.C.F. visited parishoners of Italian origin or descent to recruit approximately 150 members.

A most impressive ceremony officiated by Guy Masciotro of Burbank, Field Director for the I.C.F., marked the initiation of new members and the installation of Officers for 1971.

They are: John Pecoraro, Pres.; Salvatore Giacinto, 1st Vice Pres.; Joseph Leone, 2nd Vice Pres.; Mary D. Giacinto, Recording Sec'y; Josephine Pecoraro, Corresponding Sec'y; Dennis Walsh, Treas.; Angelo Saputo, Leona Walsh and Alfred Perucci, Trusteees; Pasquale De Gaetano, Orator, and Lorenzo Piraino, Sentinel.

Among the dignitaries present to offer encouragement to the new chapter of the I.C.F. were Peter Bonino of Los Angeles, Grand 1st Vice Pres. of the Central Council, Mrs. Vera Benz of Sun Valley and John Stasse, Chula Vista, members of the Central Council, Mrs. Mary Mistretta, president of Our Lady of the Rosary, Chapter 230, San Diego and Peter Della Rocca, president of the District Council.

The I.C.F. is designed to foster family unity and encourages family memberships. The only requisite being that members be in good standing with the church and of Italian origin or descent or married to an Italian.

The main purpose of the I.C.F. is to develop and spread religious spirit and good will; to promote patriotic, cultural, charitable and social projects; and to have the family work, pray and play together, according to a member of the Federation.

It was founded in San Francisco in 1924 and has since branched throughout California, Nevada and Illinois with approximately 20,000 members.

OFFICERS — Officers of the Saint John Of The Cross Italian Catholic Federation were selected last week. They are, back row left to right: Sal Giacinto, 1st Vice president; Joseph Leone, 2nd Vice president; Dennis Walsh, treasurer; Pasquale De Gaetano, Orator; Leona Walsh, Alfred Perucci and Angelo Saputo, Trustees; Lorenzo Piraino, Sentinel; Peter De La Rocca, President of the District Council. L to r—front row: Josephine Pecoraro, Corresponding Secretary; Mary D. Giacinto, Recording Secretary; John Pecoraro, President; Very Rev. Patrick J. Kearney, Chaplain for the I.C.F. and Mary Alesi, Financial Secretary; John Stassei, and Guy Masciotro, Field Directors.

Mesa College Class Applications Accepted

Applications for Mesa College's spring semester Hospital-Home Aid classes are being accepted through January 8, Robert R. Arnold, the college's Dean of Vocational Education announced.

The one-semester program includes theory and laboratory instruction at Mesa College and supervised clinical experience at a hospital and nursing home.

It prepares men and women for employment as aids in hospitals, nursing homes and private residences. Those people interested in further information about the program should call the Mesa College Admissions Office, 279-2300, Extension 215.

Special Week On Tap

San Diego Mayor Frank Curran has proclaimed the week of January 24 through January 30, to be "Children with Learning Disabilities Week".

The week coincides with the January 29-30 Western Regional Conference co-sponsored by the nation-wide Association for Children with Learning Disabilities and the California Association for Neurologically Handicapped Children.

Our Men In The Armed Forces

Gary Simon

Navy Petty Officer Third Class Gary P. Simon, son of Mr. and Mrs. Joseph J. Simon of 3435 Par dr., Brookside, has returned to Long Beach, aboard the fleet oiler USS Guadalupe following a five month deployment to the Western Pacific.

During the deployment the Guadalupe provided logistic support for U. S. and allied ships operating off the coast of Vietnam.

John Whiddon

Airman John T. Whiddon, son of U. S. Navy Senior Chief Petty Officer and Mrs. Jerry R. Whiddon of 7838 Alton dr., Lemon Grove, has graduated at Sheppard AFB, Tex., from the U. S. Air Force turbo-prop aircraft mechanic course.

The airman, who learned to maintain and service turbo-prop aircraft, is being assigned to Travis AFB, Calif., for duty with the Military Airlift Command.

Airman Whiddon is a 1970 graduate of Mount Miguel High School in Spring Valley.

Russell Graff

Navy Lieutenant Russell J. Graff, son of Mr. and Mrs. H. J. Dugas of 2965 Buena Vista ave., Lemon Grove, has returned to San Diego after a six-month deployment in the Western Pacific aboard the destroyer USS Rogers.

In addition to supporting operations of the Seventh Fleet off the coast of Vietnam, the crew of the Rogers visited Japan, Taiwan and the Philippines.

Jerry Menikheim

Navy Lieutenant Jerry E. Menikheim, son of Mrs. Earl Menikheim of 9121 Maynard st., Spring Valley, is serving aboard the guided missile cruiser USS Chicago in the Western Pacific.

The 18,000 ton cruiser is serving as flagship for Commander Cruiser Destroyer Group Seventh Fleet, Commander Cruiser Flotilla Three and Commander Cruiser Destroyer Flotilla Nine.

Robert Parrott

Sergeant Robert J. Parrott, son of retired Navy Chief Petty Officer and Mrs. George A. Parrott of 10265 Herdfield way, Spring Valley, is a member of a unit that has earned its sixth consecutive U. S. Air Force Outstanding Unit Award and the second straight with the "V" device for valor.

The 1964th Communications Group, with headquarters at Tan Son Nhut AB, Vietnam, was cited for training and assisting the Republic of Vietnam Air Force and for providing direct communications and air traffic control support to USAF and Vietnamese units in launching air strikes against hostile forces from July 1, 1969 to June 30, 1970.

Sergeant Parrott is an air traffic controller at Binh Thuy Air Base with one of the group's 10 subordinate units. He will wear a distinctive service ribbon to mark his affiliation with the unit.

The sergeant, a 1966 graduate of Monte Vista High School, attended Grossmont College. His wife, Leslie, is the daughter of Mrs. Jeanne Duncanson of El Cajon.

Mail Bag

Dear Editor:

We have now completed the 1970 United Crusade. It was a difficult campaign. And in spite of severe economic setbacks in San Diego County this year we raised more money than in 1969. The success of any campaign such as this must rest on our ability to bring the campaign message to the people of this community and to keep the campaign in the public eye. This was the more critical in this difficult campaign year.

The support of county publications was, therefore, doubly appreciated. Without your help and the help of other public spirited media, this campaign could not have succeeded. On behalf of myself and the thousands of other United Crusade volunteers who worked so hard, our deepest thanks for your support and assistance.

Sincerely,
Leonard J. Zanville
Campaign Chairman
United Community Services of San Diego County

Childbirth Movie Set January 7 In La Mesa

"The husband should be present at the birth of his child to coach his wife," says Dr. Robert Bradley, an eminent Denver obstetrician. A local mother has just finished a teacher training course at the Academy of Husband Coached Childbirth in Van Nuys, California, where Dr. Bradley was chief instructor.

Mrs. Jerry Hjeltness and her husband wish to show this method of childbirth to any interested residents of this area.

A film showing a couple have their baby after being educated in "husband coached childbirth techniques" will be shown in the Hjeltness home, 4740 Alta Rica dr., La Mesa, January 7 at 7:30 and 8:30 p.m.

"We hope to show how the birth process can be exhilarating and satisfying experience, on worth preparing for," says Mrs. Hjeltness, mother of three.

This program will be free of charge. Call 442-2742 for additional information.

Rummage Sale Scheduled For January 5

The Alumni and Mother's Club of the Alpha Gamma Delta sorority of San Diego State College is having its semi-annual rummage sale January 5, at the American Legion Hall, 4061 Fairmount ave., San Diego.

A large assortment of furniture, clothing, kitchen ware, jewelry and trinkets will be on sale starting at 9 a.m. The sale will run through 3 p.m.

The rummage sale committee, chaired by Mrs. David Frye, of La Mesa, includes Mrs. C. H. McMorrow, of Spring Valley, Mrs. C. A. Amundson, of Lemon Grove, and Mrs. A. R. Dudley, of Lemon Grove.

Also serving on the committee are Mrs. Edwin Budzinski, of Lemon Grove, and Mrs. J. N. Voorhees, of Lemon Grove.

Part of the proceeds of the sale will go for scholarships.

Extra Classes Mark Winter Quarter Opening

New subject matter as well as extra classes in dance, music and theatre, highlight the Winter Quarter of United States International University's Conservatory in the Performing Arts which begins Jan. 4.

For the first time classes in pantomime, classical and folk guitar, theatrical stage design/technical, and rock music are being offered at the Center for the Performing Arts, 350 Cedar st. where all USIU Conservatory classes are given late afternoons, evenings and Saturdays.

"Because of public acceptance and demand, we've expanded in two directions said Gordon Hilker, Director of the USIU School of Performing Arts which conducts the Conservatory program. "One, new subject matter. Two, extra sections in our already established classes in dance, music and theatre.

"Our new pantomime classes, one for adults, one for teens, will be instructed by the area's fine pantomimist, Don McLeod, who follows the Decroux method made popular by Marcel Marcreau. Pantomime is not just great fun when learning but truly is the universal art which breaks the language barriers and speaks to people of all ages, backgrounds and nationalities."

Other Countries Have PTA Groups

Other countries have PTAs, and citizens of other countries are interested in the work of the PTA. This was demonstrated to members of the California PTA during the recent holiday season.

Om T. Mehta of Bomba, India, presently serving as chief engineer of the freighter, State of West Bengal, wrote the National PTA that the ship would be docking at Los Angeles and San Francisco and that he and his family would appreciate an opportunity to learn about the PTA and to meet some of its members.

The letter was forwarded to Mrs. Doyle Hoffman, president of the California PTA, and when the freighter docked, PTAers were ready with plans for entertaining their Indian friends.

Entertainment took the form of sightseeing, visits and dinners in American homes, attendance at church services, a pot luck holiday dinner and a neighborhood tea. Among tours which PTA guides included for their visitors was the State PTA Office in Los Angeles, scenic spots in San Francisco, and Hollywood.

Safety Could Be Resolution For New Year

"A commitment to safety should be included in everyone's New Year's resolutions," says Wallace T. Featheringill, president of the San Diego County Chapter of the National Safety Council.

"The winter season brings with it adverse conditions and hazards not present during warm weather," Featheringill added. "In addition to ice and snow road hazards, persons engaged in winter sports often seem to go out of their way to act irresponsibly.

Many novice skiers attempt to do what they have seen experts do. Snowmobiling is becoming as popular as skiing, and again the inexperienced must exercise responsibility by taking the proper instruction before attempting to use these vehicles.

"The need for a commitment to traffic safety should be obvious," Featheringill claimed. "The Council does not relish the fact that over every major holiday weekend we tell the American public our estimate of the number of persons that will be killed in traffic accidents.

What we are telling the men, women, and children of this country is that they, their elected officials, their courts, their police, their friends, and their relatives are all allowing for mistakes — fatal mistakes on the road."

Scholarship Applications Ready Now

Assemblyman Wadie P. Deddeh announced that California State Scholarship application forms, for the academic year beginning September, 1971, are now available in his district office.

"One thousand grants will be awarded to students from predominantly low income families. Students should be able to demonstrate a high potential for college level work and should be willing to begin work at the community college level", Deddeh stated.

The former community college instructor spoke favorably of this program which would assist low income students with the costs of higher education while also reducing the burden of enrollment at the California State Colleges by encouraging students to attend community colleges.

Applications may be obtained by calling Mr. Deddeh's office at 427-7077. The deadline for application is February 15.

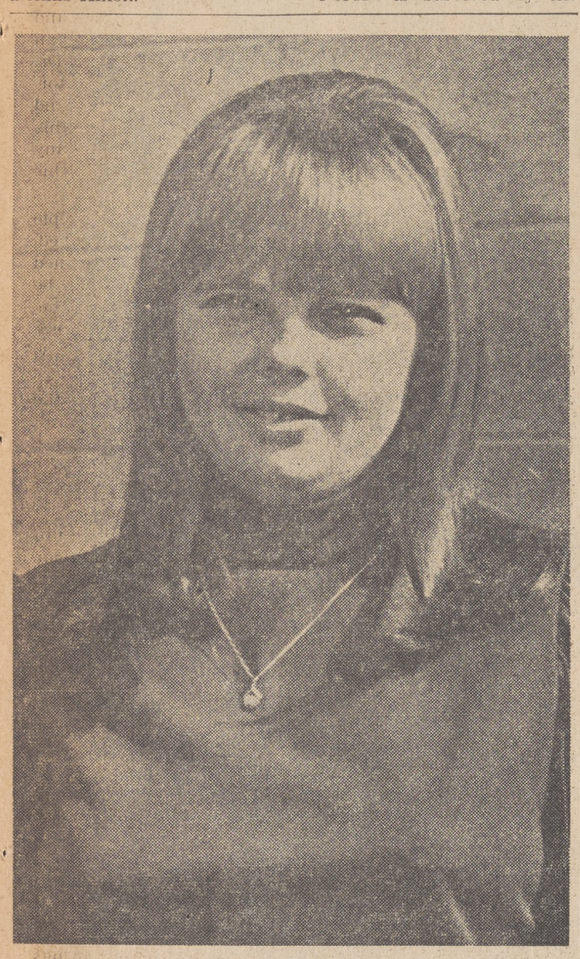
Juniors Initiate New Members

The Lemon Grove Women's Club Juniors held an initiation dinner for five new members of the club at the Ox Bow Inn, in Casa de Oro, November 23.

New members are Mrs. Robert Strangeman, Mrs. James Rudd, Mrs. Thomas Perry, Mrs. Jerry Legerton, and Mrs. Doretta Throp.

The Club held its annual Christmas party December 21, at the home of Mrs. M. R. Christian. Mrs. O. H. Hughes was co-hostess for the affair.

The juniors will meet January 11 at the home of Mrs. Dennis Hixon.



PLANS REVEALED — Mr. and Mrs. G. C. Hill, of 3826 Polaris dr., La Mesa, announce the engagement of their daughter, Linda Barton, to Richard Monroe, of Placentia, California.

The bride-to-be is a graduate of Mount Miguel High School in Spring Valley, and is currently attending Cal Poly of Pomona, where she is majoring in physical education.

Her fiance is a graduate of Fullerton State College, and holds a bacheler of science degree in physics. He is currently on active duty with the United States Air Force at Lackland AFB, Texas.

No date has been set for the wedding, which will take place at the Lemon Grove Methodist Church.

Robert Berrey Named As County Counsel

Robert G. Berrey, 53, assistant county counsel for the last eight years, has been named San Diego County Counsel by the Board of Supervisors.

He will fill the post being created by the retirement of Bertram McLees, Jr. McLees has been on terminal leave since September. Berrey's assignment becomes effective Saturday.

Berrey joined the county in 1947 as deputy in the district attorney's office and transferred to the county counsel's office in 1959 when it was separated for the district attorney's jurisdiction.

He become McLees' assistant in 1962. His new job pays $32,724 a year.

Berrey, a native of Chico, attended UCLA and obtained his law degree in 1941 at USC.

He was appointed head of the San Diego Lands Division of the U.S. Justice Department following WWII. During the war he spent part of his tour in the German prisoner-of-war camp know as "Stalag 13."

In his new post Berrey will serve as attorney for and advisor to the county board of supervisors, assessment appeal boards, county officers, schools and certain special districts.

Supervisors arrived at the decision to appoint Berrey in a closed meeting. In a public meeting which followed, the appointment was approved 4-0 with Supervisor DeGraff Austin making the motion.

Price Tag For Rain

A spokesman for the Helix Irrigation District this week announced that the runoff from the recent rainstorms was approximately 80 million gallons.

The runoff is worth approximately $11,000.

When the American consumer spent $1 on food at the grocery store last year, 41c went for groceries, and 59c went for marketing and other services.

Local Pair Celebrates Anniversary

Mr. and Mrs. Henry E. Lange, of 7620 Pacific ave., Lemon Grove, are celebrating their 55th wedding anniversary today.

The couple was married December 31, 1915, in Mitchell, South Dakota, but moved to California 46 years ago, where Lange started a lumber company and Mrs. Lange became a practical nurse.

Lange, who has been in the lumber business for over 50 years, is the former owner of Lemon Grove Lumber Co. He is 83, and his wife is 77.

The couple has a daughter, Helen, who lives in Cypress, California, and a son, Jack, who lives in Lemon Grove. They also have nine grandchildren and four great grandchildren.

Mr. and Mrs. Lange were honored last Sunday at Skyline Church as the anniversary date approached.

Marriage is a "50-50 proposition as far as I'm concerned," according to Lange.

Defense Warning Siren To Sound

The monthly test of the Civil Defense Warning Sirens will be conducted at noon Monday, William B. Marty, County Administrative Officer for Civil Defense said today.

Citizens may cooperate in these monthly tests by calling 448-4611 to notify the County Civil Defense Office at Gillespie Field if the siren in their area does not sound.

AREA OBITUARIES

Funeral Services Held For John F. Force, 67

Memorial services were held December 21 at Rogers Mortuary for John F. Force, 67, of 2343 Loma dr., Lemon Grove, who died December 16 at Villa View Hospital.

A retired teamster from local 542, Force worked for the now defunct San Diego Forwarding Company. He was a native of New York, but had lived in Lemon Grove for 16 years.

Force is survived by his widow, Erma, a stepson Walter McAlister, four grandchildren, and several cousins in New York. Interment was in Mt. Hope Cemetery.

F. M. Cutter

Services were held yesterday afternoon at Forest Lawn Memorial Park, in Glendale, California, for Florence May Cutter, 80, of 1722 Washington st., Lemon Grove, who died Sunday at San Diego Convalescent Hospital.

A native of Massachusetts, she lived in California for 63 years, including three years in Lemon Grove. She is survived by her daughter, Mrs. Laura M. Sproul, of the same address, a son, Donald Cutter, out of the area, one granddaughter, and two great-grandchildren.

Interment was at Forest Lawn, with Conrad Lemon Grove Mortuary in charge of arrangements.

W. H. Kraft

Rosary was recited Sunday at Saint Rita's Catholic Church for William H. Kraft, Sr., of 369 Sears ave., San Diego, who died last week. Mass was celebrated Monday.

Kraft, who lived in San Diego County for 17 years, was a member of the Veterans of WWI, Barracks 240, and the American Federation of Music.

He is survived by his widow, Lillian, his son William Jr., and a brother and three sisters out of the state. He was a retired civilian employee at North Island.

Interment was in Holy Cross Cemetery, with Conrad Lemon Grove Mortuary directing.

Helen Kindy

Services for Mrs. Helen Kindy, 57, of 3173 Bancroft dr., Spring Valley, were held Dec. 27 at the Chula Vista of Humphrey Mortuary. Interment was in Glen Abbey Memorial Park. She died Dec. 22 in a hospital.

A native of West Virginia, Mrs. Kindy had lived in San Diego County 49 years. She and her husband had owned and operated two gasoline service stations in Chula Vista and San Diego for the past 25 years, selling them just last year.

She is survived by her husband, John C. Kindy; and a sister, Mrs. Olive Bush of San Diego.

Swim Classes Set At YMCA

The Copley YMCA is offering swim classes for youngsters next week, with lessons given by qualified water safety instructors at the pool at the YMCA, 3901 Landis st., San Diego.

Enrollments are being taken now for the classes, which will be held Monday and Wednesdays or Tuesday and Thursdays. Classes are for boys and girls aged 1 to 5 years.

For further information, call 283-2251.

SIXTIETH YEAR — Mr. and Mrs. George Cobaugh, of 9059 Harness st., Spring Valley, celebrated their 60th wedding anniversary Dec. 20, with "open house." Approximately 125 relatives and friends attended. They have four sons; three in San Diego County and one in Nevada, as well as several grandchildren and great-grandchildren.

George and Blanche Cobaugh were married Dec. 20, 1910, at Carthage, Mo., where he was farming. They have been in Spring Valley for 22 years. Blanche said their formula for a long and happy marriage, is "live and let live." She will be 77 in April and he, 90 in July.

Miguel Band Marches At Rose Parade

Mount Miguel High School's marching band has been working all year to get ready for the Rose Parade, in which it will be marching tomorrow.

The band, which won the honor of representing San Diego County in the parade two months ago, has been doing distance work for the parade, which is seven miles long, as well as sharpening its already fine musical talent.

This week was a busy one for the members of the band, as they have been making last-minute preparations for the trip, which will cost about $3,000.

The band raffled off a painting by William Steinbeck earlier this month, and has been holding car washes, concerts, and other money raisers for the past two months.

Part of the money that was earned will go toward new uniforms for next year's band, according to band director Gene Corporon.

The James Hall College of Beauty, in La Mesa, helped out this week by supply the Bandarettes, the group of young beauties that march in front of the musicians carrying fans with the letters of the name of the school printed on, with hair-dos.

The band has been marching for three hours each day for the past two months to get in shape for the seven-mile hike tomorrow. According to Gene Corporon, the youngsters will have no trouble with the distance.

As the youngsters march through the streets of Pasadena tomorrow, it will mark the fifth time in eleven years that Mount Miguel has represented the county at the parade.

Jogging Program Set At Heartland YMCA

Heartland YMCA will offer a new class of "Run For Your Life", beginning Jan. 11. The program is designed to stimulate interest in personal physical fitness through the improvement in vigor and stamina.

Participants begin by enrolling in a 12-week walking-jogging program under trained supervision of a trained YMCA exercise instructor.

Members will be taught how to exercise and run with safe and sane training principles, counseled on fitness problems, and checked periodically as to their progress.

Upon completion of the session members will be admitted to the 'Run For Your Life Club' of the YMCA.

The program meets Monday, Wednesday, and Friday at 5:30 p.m. Each class period lasts 45 minutes. Members are expected to attend all sessions.

Classes meet at the Heartland YMCA, 8881 Dallas, La Mesa, with running outdoors in the park.

Fee for the 12 weeks is $15, which includes Basic 'Y' Membership, RFYL sweatshirt, materials, and two tests given.

Pre-registration must be made by Jan. 8, with doctors permission. For information call the YMCA, at 466-4161.

Committee Formed For Quality Health Care

Citizen teams of consumers and providers of medical care will be formed next week, to work with the Governor's office in a "mutual effort to insure comprehensive quality care for the medically indigent."

The Economic Opportunity Commission Tuesday called together representatives from a broad range of health delivery services and agencies that serve the poor in answer to public requests for extension of in-depth public information in the War on Poverty.

Those who attended voted to call themselves the "Concerned Committee for Quality Health Care."

Aztec Cagers Ready For Colorado

The University of Colorado will provide the opposition for San Diego State's basketball team next Monday, as the Aztecs open up the 1971 portion of their schedule.

San Diego and Colorado will be meeting for the first time ever, when they collide at 8 p.m. in Peterson Gym on campus. The Aztecc frosh will play a 5:45 p.m. preliminary against the UC San Diego JV team.

Colorado will be in the midst of a backbreaking string of no less then 10 straight road games. After the Aztecs, the Buffs will be at UC Irvine and then must hit the road a week later to open Big 8 play against Oklahoma and Oklahoma State.

There is one common opponent for the Aztecs and Buffs—Texas Tech. San Diego lost to the Red Raiders 93-86 in their season opener while Colorado won 73-72. Both games were played in Lubbock.

Chargers A Near Miss in '70 Hadl, Garrison Star Performers

Closing a 5-6-3 season with a 31-13 smash over the defending world champion Kansas City Chiefs, the San Diego Chargers could look back to 1970 as a year of near misses brightened by a few notable individual accomplishments.

With nine games decided by three or less points and the Chargers on top in only two of them, San Diego finished in third place behind Oakland and Kansas City in the strong Western Division of the American Football Conference.

In division competition, Coach Charlie Waller's team was 2-2-2 compared to 1-5 in 1969. Against champion Oakland, the scores were 27-27 and 17-20.

Quarterback John Hadl ranked as the No. 2 passer in the AFC. He tied for most touchdown passes with 22 and was third in low interception percentage with 4.6. In the last 10 games of 1970, Hadl passed for 17 touchdowns with only six interceptions. He had one stretch of 108 passes without an interception.

By passing for 2,388 yards — his seventh successive season over 2,000 — Hadl boosted his nine-year career total to 21,414 yards to jump over Len Dawson, Charlie Conerly and Jack Kemp into 14th place among the all-time leading passers.

Wide receiver Gary Garrison, selected as "Most Valuable Player" by his teammates, caught 44 passes for 1,006 yards. It was the second 1,000-yard season of his five-year career and the fifth year he had caught at least 40 passes. Garrison's 12 touchdowns and 22.9 yards average were tops in the AFC in 1970.

With 35 catches, Lance Alworth moved ahead of Art Powell and Don Hutson into seventh place on the list of all-time leading receivers with a nine-year career total of 493.

Speedy Duncan boosted his career total in returns to 5,037 to join Abe Woodson, Dick James and Timmy Brown as the only players in pro football to reach that 5,000-yard milestone.

Guard Walt Sweeney, who with Garrison was selected on the AFC All-Star squad, raised his "Iron Man" string of consecutive games to 112. That figure does not include three championship and seven All-Star games.

As a team, the Chargers finished seventh in total offense and 10th in total defense in the AFC. Noteworthy was improvement in pass defense. Ninth in 1969, the Chargers were fifth in 1970. Standout linebacker Pete Barnes was leading interceptor with three. Rookie end Joe Owens led in quarterback sacks with 11.

Two Artists Planned For Next Month

The Foothills Art Asscia-tion has announced its schedule for the month of January at the Ben Polak Memorial Fine Arts Center, 8053 University ave., La Mesa.

The regular monthly demonstration will be given January 7 at 7:30 p.m. by San Pedro, who is also the guest artist for the month. His paintings can be viewed during open hours of the centre, which are 1 to 5 p.m. Saturdays and Sunday beginning January 9.

In charge of the one-man show this month is Angus W. Rose, who has been a member of the association for seven years. Rose, who retired from the Navy in 1956, has studied with Robert Landry, and is the originator of a art course sponsored by the Veterans Administration.

O'Connor Says Coffee Break Deal Ready

Sheriff Joseph O'Connor announced his department and other county law enforcement agencies are cooperating in the National Coffee Safety Stop Program to curb traffic accidents during the Christmas/New Year's Holidays by urging motorists to stop for free coffee breaks.

The Coffee Safety Stop Program is a nationwide effort of safety groups and thousands of restaurant operators who have volunteered to serve free coffee to travelers during peak traffic hours of the holiday season. Participating taverns and restaurants will display a special Free Coffee Safety Break sign.

O'Connor noted that free coffee days during the year-end holidays are the annual highlight of a year-round effort to educate the driving public to the safety benefits of frequent rest breaks. "By dramatizing these holiday safety break days, we hope to extend the safety stop concept to all long distance driving.

"This can help establish good long-haul driving habits on the part of most American motorists, helping to cut traffic accident statistics."

O'Connor cited the efforts of San Diego civic groups for their support in the coffee safety stop program.

"These groups and the thousands of restaurant owners who will be providing free coffee to motorists at their own expense during the holiday are to be congratulated for making possible this significant contribution to the total traffic safety effort," O'Connor said.

March Of Dimes Makes Call For Help In Drive

The San Diego County chapter of the March of Dimes last week issued a call for volunteers to help in the January drive against birth defects.

Volunteers are needed to carry out the varied tasks of this important fund-raising drive, commented Alex Hannum, the San Diego Rockets basketball coach who is serving as the 1971 campaign chairman.

"These tasks include placing coin collectors on store counters, setting up dime boards in restaurants, addressing mail appeals and planning Mothers March activities."

Hannum said the fight to prevent birth defects has never looked more hopeful. "The March of Dimes supports programs throughout the year aimed at continuing this progress," he said. "Research, patient care and education are powerful weapons in our goal of a healthy birthright for every newborn."

For further information about volunteer work, contact the March of Dimes office, 6156 Mission Gorge rd., Room H, San Diego, California 92120, or phone 284-1166.

Lemon Grove Ends 1970 After Another Very Busy Year Here

Lemon Grove went through another busy year in 1970, with the Lemon Grove Planning Commission's formation and proposed Broadway improvements highlighting the year.

The year began as the County board of supervisors lowered the speed limit on Massachusetts ave., to 25 mph, following a two hour discussion at a meeting January 12.

Other events taking place in January included Bryon Netzley, superintendent of the Lemon Grove School District, traveling to Washington, D.C. to fight for the passage of Public Law 874, the Lemon Grove Chamber of Commerce's work on forming a planning committee, and the presentation of a petition to the board of supervisors for undergrounding of utilities on Palm st.

Netzley went to the nation's capitol January 24 and talked to legislators about Public Law 874, which provides funds for school districts with children who are dependents of persons working on government property.

The Chamber's work on the planning committee in January was marked by the procuring of professional help from the County Planning Commission in formation and organization of a local governing body.

In February, the board of supervisors gave the green light to the planning commission for the professional help from the County Planning Commission.

Other events in February included Grossmont College receiving accreditation for five years, Netzley's report from Washington, D.C., and a search for the oldest living native of Lemon Grove.

Netzley reported to the Lemon Grove School Board that while the President vetoed the legislation, other measures could help make up for the missing funds.

Also in February, Frank Gigliotti, a Lemon Grove resident, was Knighted by the Republic of Italy for work he had done in post-WWII days in setting up functions in that country.

In March, it was reported that the accident rate on Broadway was twice the national average, President Nixon signed Public Law 874, Pacific Telephone hiked rates on phone bills, and Mount Miguel's ROTC won an award from the Sixth Army.

The bill that was signed by President Nixon was a revised one but the Lemon Grove School District would get the same amount of money under the new bill.

The big stories in April included the Grossmont High School District considering a bond election to ease overcrowded conditions in local high schools, eight local people arrested on drug charges in a raid that climaxed three months of undercover work, and Lionel Van Deerlin criticizing the San Diego Arizona Railroad for being non-cooperative with the Lemon Grove Chamber of Commerce.

Other events in April included the crowning of Sandra Sjogren as Miss Lemon Grove, and Chamber of Commerce plans for a cleanup campaign before the Old Time Days Parade.

Mel Grant, principal of Mt. Miguel High School, also asked the Grossmont High School District's approval to put the school on double sessions due to overcrowded conditions.

In May, the Lemon Grove Old Time Days celebrations dominated the local scene, as Ron Mix headed a kickoff barbeque May 7. The following week, a threat of a holdup of the San Diego Arizona Railroad was rumored when the train passed through the town May 23. The hold up took place on schedule, but the toy-gun-wielding bandits didn't make off with much.

Throughout the month, local merchants were seen about town sporting beards and bluejeans. On May 23, 20,000 persons viewed the parade, led by grand marshall Ron Mix along with Miss Lemon Grove, Sandi Sjogren.

Also in May, the Grossmont High School district re-vamped its policies on drug violations, creating re-habilitation opportunities for students expelled.

In June, Sandi Sjogren competed in the Fairest of the Fair contest, the Board of Supervisors ordered the speed limit on Massachusetts ave. back to 35 mph, the supervisors approved a tax hike of 25-35 cents, 1,650 students graduated from local high schools, and the Lemon Grove Planning Commission was formed.

In the Fairest of the Fair competition, Lemon Grove's representative was named third runner-up. Supervisors gave increasing costs for law enforcement and judicial processes as reasons for the tax hike.

In July, the first meeting of the Lemon Grove Planning Commission drew 575 interested residents, Grossmont Hospital hiked rates to overcome a budget defecit of $124,000, a police pilot program was started in Lemon Grove, and James Dorman was named head of the Planning Commission.

Also in July, Bryon Netzley spoke out against a proposed law that would allow school boards to hire superintendents without credentials, and the Lemon Grove School District approved a 7.5% salary increase for teachers.

The police pilot program which was tried in Lemon Grove, was an experiment which "put the cop back on the beat." The object of the experiment was to see if law enforcement would be better if deputies had time to get to know many of the persons on the patrol.

In August, back-to-school preparations were made by the Grossmont High Schools District and the Lemon Grove School District, as budgets were worked up, and the problem of overcrowding was dealt with.

The Grossmont District approved a $22.6 million budget, and gave the green light to 35 portable classrooms to be used in the district to combat overcrowding. Mount Miguel was put on double sessions.

The Lemon Grove School District approved a $3.6 million budget.

Also in August, Broadway was named San Diego County's trouble spot, with a hazard from left-turning vehicles at Broadway and Imperial, and the Planning Commission set up bylaws, boundaries and programs.

In September, the Chamber of Commerce ok'd proposed improvements for Broadway, and petitions were circulated among Broadway property owners, schools opened, and the skies of Lemon Grove were blackened by the disastrous Laguna Fire.

The Board of Trustees of th Lemon Grove School District also approved free and reduced price lunches for needy youngsters attending schools in the district under the National School Lunch Act.

In October, Mount Miguel's marching band was named to represent San Diego in the Rose Parade.

In November, the Lemon Grove Planning Association was officially sanctioned by the County Planning Commission, students at Golden Avenue School began receiving reduced price lunches, Broadway property owners began meetings to discuss Broadway improvement, and the Art Department at Grossmont College suffered $375,000 in damages from a fire.

In November, plans were made for a Christmas lights display contest in Lemon Grove, and meetings on Broadway Improvements continued.

In December, the board of supervisors officially sanctioned the Lemon Grove Planning Association, Broadway improvement petitions neared completion, and efforts were started to create a counseling and recreation center for youngsters.

Lili Kraus To Appear In Concert

Lili Kraus, internationally famed pianist, will appear with the San Diego Symphony Orchestra at Civic Theatre Jan. 7 and 8 for an all-Mozart program.

Madame Kraus is a favorite with San Diego audiences and patrons are urged to reserve seats early for choice locations.

Zoltan Rozsnyai is particularly delighted that Madame Kraus will open the New Year season as these two Hungarian-born artists have a warm friendship enhanced by working together through the years. Under his superb leadership, the fine orchestra instrumentalists have reached a new plateau of rapport which earned them ovations in November and encores in December.

There is a change in the original programming which included the two-piano Concerto No. 10 in E-Flat, with Maestro Rozsnyai, music director and conductor of the Symphony.

The very popular Madame Kraus has an unexpectedly heavy concert schedule which precludes the originally scheduled additional rehearsal time required.

Duffy Names Jimmy Wilkins As Advisor

Jimmy A. Wilkins, 35, a supervisor at Convair, has been named the first of three confidential advisors to Sheriff John F. Duffy.

Wilkins, a Negro, will have a primary responsibility to serve as a direct representative of the black community of San Diego County.

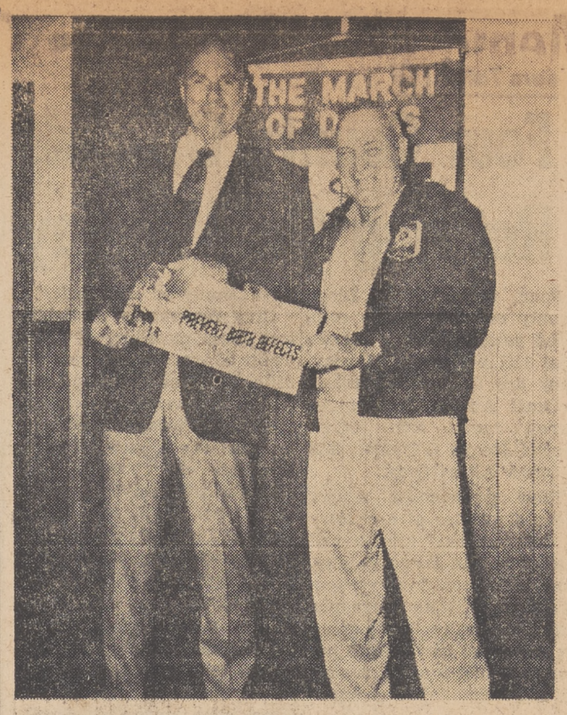
Duffy, who assumes office Jan. 4 at noon, said that the three positions have never been used in this manner and that the concept is entirely new to the Sheriff's Department.

"Having direct lines of communications with two-way channels, will assist me in formulating effective policies and procedures that will be sensitive to minority groups as well as the majority community," Duffy said. "It is well established that the ability to communicate effectively and determine underlying problems can help resolve potential troubles before they become a realty."

According to Duffy, the operation of the new position will be broad and completely flexible and the tasks limited only by the imagination so long as they help achieve the overall goals of establishing a better relationship between law enforcement and the black community or in establishing a reality from the theory that minorities are able to participate and compete in society with the same degree of equality afforded citizens in the majority. Wilkins will be used to help recruit qualified blacks to the Sheriff's Department as a major effort in this area.

Local Takes Second Place

A Lemon Grove man, Jack Saucier, placed second in the 1970 annual San Diego Rowing Club handball doubles tournament last Saturday at the Rowing Club. Defending champion, Saucier competed in the class "A" division with his partner Bob Shumake.



LOCAL CHAIRMAN — Alex Hannum, San Diego County campaign chairman, left has appointed H. C. Stubbs as Lemon Grove-Spring Valley chairman for the 1971 drive for the March of Dimes which begins tomorrow.

Van Battles Volpe On Train Schedule

WASHINGTON — The case for modern passenger train service to San Diego has been carried to the federal transportation agency by Rep. Lionel Van Deerlin, D-San Diego, in the form of resolutions, letters and telegrams from concerned individuals and organizations in the San Diego area.

Van Deerlin personally delivered the correspondence to Transportation Secretary John A. Volpe, in time to beat yesterday's deadline for the filing of appeals for changes in the preliminary rail passenger network designated by Volpe Nov. 30.

Volpe has until Jan. 28 to review the comments and announce a final plan, which will serve as the basic blueprint for the preservation and improvement of intercity passenger train service throughout the United States.

As set forth by Volpe, the tentative system would eliminate north-south service along the Pacific Coast and all service to San Diego. Only two routes are proposed for California, linking Los Angeles and San Francisco to Chicago but not to each other.

Van Deerlin, a member of the House Commerce Committee, has taken the lead in the effort to obtain better service for San Diego, California and the West.

He convened a meeting in San Diego to discuss the shortcomings in Volpe's preliminary proposals, and to urge public officials and private citizens to make their views known to Volpe and the Interstate Commerce Commission.

Statements protesting the omission of San Diego from the tentative network were issued by local governmental bodies, veterans and senior citizens groups, civic associations, labor unions, chambers of commerce and private individuals.

Van Deerlin also was instrumental in getting 37 California Congressmen to join in a letter to Volpe, in which they urged an upgrading of passenger train service in the West.

San Diegans involved in the proceeding have focused on the need for fast rail service from San Diego to Los Angeles. The 128-mile San Diego-Los Angeles corridor is among the most heavily traveled in the nation. Local planners believe that by 1980, highways and airways alone will be insufficient to handle the rapidly increasing traffic between the two cities.

Reserve Unit Has Openings

The 4th Tank Battalion, San Diego County's Marine Corps Reserve unit, has openings for qualified young men between the ages of 17½ and 25, it was announced this week.

LtCol. R. E. King, USMCR, Battalion Commander, said enlistment applications are being accepted immediately for the six-month Reserve program.

Enlistees can be sworn in up to 180 days before reporting to recruit training which commences six months of active duty before five and one-half years of monthly weekend drills and two weeks of annual summer camps.

M.V. Ranch Sale Highlights Year's News In Spring Valley

Spring Valley experienced a growing year in 1970, with the sale of the Monte Vista Ranch for development of a community highlighting the news.

January 1, 1970 the Spring Valley Community Council named the winners of the Christmas lighting contest, with Mr. and Mrs. Garry Aswegan as sweepstakes winners. Almost the same time a youth was jailed as a suspect in the theft of a $1,500 diamond ring.

Later the Monte Vista Ranch was sold for $10 million, where a "total" community was planned.

Then later in mid-Jan. a committee inspected Monte Vista Ranch as a possible second Grossmont College campus. Then later Little League youngsters were urged to register for baseball.

Came early February and George and Edith Robeson celebrated their 50th wedding anniversary. George was an early S.V. Fire Commissioner. About this time it was reported the M. V. Ranch to be a prime college site. And a Monte Vista High School teacher discovered two infant bodies near a road.

Mid-Feb. a CDO rezone was denied. Then the S.V. Bobby Sox (girls) League began registering. And candidates began girding for the big election.

Early March Monte Vista captured the CIF wrestling title. And Grossmont Hospital issue got 50 per cent okay. And the Grosmont College's site committee said M.V. Ranch best.

Then mid-March and the Jamul horse show attracted 50 junior horsemen. And a S.V. auto storage yard was okayed for Kenwood dr. Then the date was set for the annual "Miss Spring Valley" contest. And the last of March Janet Lynn Isley was crowned "Miss Spring Valley" of 1970.

April La Presa raised funds for pines project. Then Grossmont High School trustees considered bond election. And the Jamul-Las Flores School District eyed a pay hike for teachers. Then it was said S.V. planning needed wider acceptance. And the Grand Jury was to study zone changes by the Otay Water District. Then the LM-SV School District board submitted a plan to fight vandalism. Then a Sheriff's raid netted 8 area drug abusers. And 7 valedictorians were slated at Monte Vista HI. Then the Lamplighter Trailer Park was opened.

Early May Roy and Jo Crouch celebrated their 50th wedding anniversary. Then the "Spring Valley Beautiful" campaign opened.

Mid-May 6th graders of S.V. Elementary School planned movie making business. And a S.V. youngster won a creative writing contest. Then the S.V. ambulance answered calls to 6 auto collisions.

Last of May the "Spring Valley Beautiful" campaign was called a success.

Early June a S.V. girl won 12 awards the first day at the Eastern San Diego County Fair. Then a Spring Valley girl was named "Miss La Petite" at the Fair. 26 Grosmont District students were expelled for drug violations. And Sweetwatr rd. was scheduled for more traffic lights. Then "Miss Spring Valley" was to vie or the "Fairest of the Fair."

Mid-June a M.V. Hi student won a marching band scholarship. Then vandals caused $600 damage to S.V. patio furniture. And CDO rezone was snapped by new County rules.

Latter June a S.V. man was named to a post at the Calif. First National Bank.

July and Grossmont Hospital Use rate. And a San Diego cabby was found shot to death in S.V. Then the CDO section of Highway 94 opened. Bill Brink was re-elected president of Jamul-Las Flores School District. And winners named at Southern Calif. Exposition.

Later in July Sky Grove nailed S.V. to grab Pony League Tourney. Then a 14-year woman employee of the Bank of America, was named chief lending officer at the Campo and Conrad branch. Then the Helix Irrigation District announced water bills hike. Don Tarr was installed as president of the S.V. Rotary Club.

August a S.V. boy was given a part in the musical "Mame". And a S.V. woman celebrated her 104th birthday.

Mid-Aug. a S.V. man was released from County jail on no charges in a stabbing incident. Then it was announced school to start in Sept. And over 800 teachers were to report to Grossmont District schools.

Late Aug. Fred Hansen asks for return of land given for County road in 1928.

Early Sept. J. R. "Bob" Belt was the new president of S.V. Kiwanis Club, while his wife Carolyn, was president of the women's group, the Kiwani-Annes. Then the Grossmont Governing Board said okay to the site for high school No. 10 in S.V.

Later student archiologists began digging near the Bancroft Ranch House, with success. And it was pointed out that delaying of a second Grossmont College campus could mean problems.

Then it was pointed out that there are plans for 75-100,000 people in the Monte Vista Ranch. Came last of Sept. and the 2nd Grossmont College campus site seemed nearer.

First of October several areas were evacuated due to county fires.

Last of Oct. M.V. grid squad upends El Capitan team. Another woman named to a top post at the B of A at Campo and Conrad branch.

Early November two S.V. men sent to honor camp for attempted robbery. Another man arrested on gun charge.

Later a S.V. girl named "March of Dimes Poster Child." And a S.V. girl was named Princess of the Mother Goose Parade.

Mid-Nov. a destructive fire at Grossmont College. Then the Otay Water District upped water bills.

Mid-Dec. Christmas lighting glowing around S.V., as the Chamber of Commerce contest opens.

January Cat Show Set

San Diego Cat Fanciers Inc. will hold its annual championship all-breed cat show in the Exhibit Hall of the Community Concourse Jan. 23 and 24, according to Frank Maher, 1971 Show Manager.

Over 200 cats from throughout the United States and Canada are expected to compete.

Judging will be continuous from 9:30 a.m. to 6 p.m. both days. All animals will be on display during those hours. Admission for adults will be $1.

In addition to registered cat competition, there will be four separate judgings in the "Household Pet" category.

Proceeds from the show will be donated to the Morris Animal Foundation, the San Diego County Humane Society, and other animal causes, according to Jim Fitzgerald, president of the organization.

Fitzgerald, whose female Manx cat, "Delilah" won second best kitten last year, resides at 8295 Golden ave., Lemon Grove.

D.A. FOR 24 YEARS — James Don Keiler, retiring as District Attorney after 24-years in the office says "There is no work I would rather have done than be District Attorney." His years in office have seen the D.A.'s staff increase from 25 to more than 200. At first, a seven-day workweek was common, as he was both District Attorney and Couny Counsel.

Years Total 115

Four County Officials Retiring On Monday

Four veteran San Diego County officials, whose combined years of public service total 115, will retire Monday. They are County Supervisor DeGraff Austin, District Attorney James Don Keller, Sheriff Joseph O'Connor, and Recorder Albert Gray.

Their government service spans a quarter of a cenutry of phenomenal growth and change in San Diego County. They have seen County population more than quadruple. They have dealt with its growing pains and have helped the County adjust to explosive social and technological changes.

Buildings and Grounds

"When I was first elected Supervisor in 1945," said Austin, "I was put in charge of buildings and grounds. In those years we put everything we could find on any vacant bit of ground, just to get some kind of roof over our County employees. Now we have some of the most attractive and functional buildings in the State."

Keller commented, "For my first 12 years, I was both County Counsel and District Attorney. At the beginning we had about 25 people on the combined staffs; now there are more than 200 in the District Attorney's office alone."

Former Constable

Sheriff O'Connor recalled that in 1946 he was the only constable for the El Cajon township, an area of some 1200 square miles. "We worked a six-day week with Sundays off — if we weren't called in. Traffic court was held on Monday evening because the judge was also a practicing attorney. We had one patrol car for the entire township, on duty only at night; now we have eight cars in the East County on each shift."

Gray remembers the laborious hand recording of documents 25 years ago. "I saw the office progress from handwritten to typewritten recording, then to photocopy. Each new process was a step forward. But none of them compare with the tremendous step we made when we started microfilming. Today, we process 20,000 documents a months with eight fewer employees than 25 years ago."

Deep Regard

The four men share a deep regard for San Diego and its people. And they all agree that these have been challenging and rewarding years.

Will the next 25 years see such all-encompassing change? Perhaps — but certainly in different directions. Jim Bear, newly elected Supervisor and Vice-Chairman of the Board, is looking into the areas of consumer affairs, drug abuse, and the knotty problems of unsnarling air and ground transportation.

Ed Miller, the new District Attorney, is working for greater coordination between all the local law enforcement agencies and the federal government in the narcotics field.

Accelerated Automation

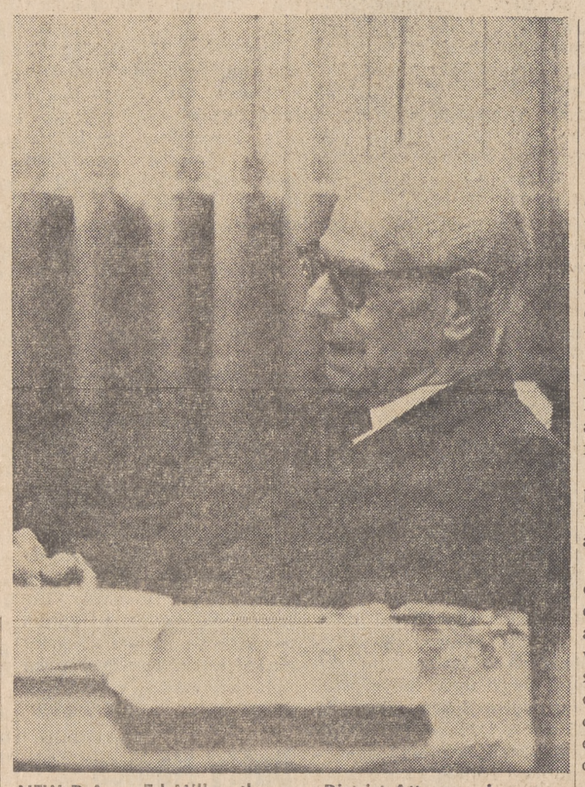
Sheriff John Duffy will be accelerating the automation of the Sheriff's Department for more efficient handling of all arrests and complaints.

Recorder Harley Bloom is anticipating speeding up the microfilm program, including putting 15,000 volumes of back records onto convenient rolls of microfilm.

Transportation — narcotics — automation — microfilm — intimations of the changes of the '70's? It should be an interesting time ahead for those in public service!

SAN DIEGANS — THEY'RE GREAT — Retiring Sheriff Joseph O'Connor (right), talking with newly elected Sheriff John Duffy, has only praise for the people of San Diego County as he leaves office.
"The Sheriff's Department is only as good as the people we represent. It is the people's cooperation which makes possible our efficient working. If Sheriff Duffy receives half the cooperation I have had, he will be an outstanding success."

"ONLY SO BIG" — DeGraff Austin (right), retiring member of the San Diego County Board of Supervisors, could have been describing the Board budget of 25 years ago as he reminisced with Jim Bear, newly elected member and Vice-Chairman of the Board. Austin's career with San Diego County Spans a quarter of a century which saw the County population quadruple and widespread changes in the county government.



NEW D.A. — Ed Miller, the new District Attorney, is a second-generation Californian with deep roots in San Diego County. He holds the distinction of being the first U.S. Attorney for San Diego and Imperial counties. He will be putting forth every effort to coordinate more closely all County, State, and Federal law enforcement groups in the narcotics field.

Hippo Born At Zoo

The newest baby at the San Diego Zoo arrived just before Christmas and has been named "Holly" Hippo.

Holly, born December 20, made her public debut today. She is a pigmy hippopotamus and when fully grown will be only about one fourth as large as the common river hippo.

The pigmy hippo is considered an endangered animal in its native habitat in West Africa, but has bred successfully in captivity. However, Holly's birth was the first for the species at the San Diego Zoo.

Agriculture Office Moves

The El Cajon area office of the San Diego County Department of Agriculture, formerly located at 110 East Lexington, has moved to a new location 537 East Main st., in El Cajon, announced James M. Moon, Agricultral Commissioner.

Gerald L. Hill is the Deputy Agricultural Commissioner in charge of this office and the telephone number remains the same, 442-9561. Office hours are from 8 to 12 a.m. and 1 to 5 p.m., Monday through Friday, said Moon.

The El Cajon office serves an area which includes Lemon Grove and Spring Valley.

Offices of the department sell rodent baits and provide information and service to the public in the fields of weed and rodent control; plant pest control, pesticide permits and pesticide enforcement; plant quarantine, nursery, seed and apiary inspection; pest identification; fruit, vegetable, eggs, and honey standardization.

Recreation Vehicles Spotlighted at Show

The Southland's most complete exhibition of recreational and travel vehicles will be held May 5-9 at the San Diego International Sports Arena.

Hundreds of vehicles will be on display at the show, which in past years has been called the San Diego Boat, Sports and Travel Show. It now will be known as "Sportsman-Vacation and Recreational Vehicle Show."

Because of expanded interest in recreational vehicles that portion of the show has been enlarged and the boat display eliminated, according to a spokesman.

Included will be the newest in recreational vehicles — many of them the four-wheel drive variety — from such manufacturers as Chevrolet, International Harvester, Jeep, Dodge, Ford and many more.

Also included will be complete sporting equipment, tackle and resort displays. Live sports shows have been added this year.

Slide Show Set

Marie and Bruce Darcy will present their latest travel color slide show at the Ben Polak Auditorium, 8053 University ave., La Mesa, at 8 p.m. January 8.

The show, which is sponsored by the Helix Showmasters, will cover seven countries of South America, with special emphasis on the lost Inca city of Machu Picchu.

Dance Club Plans New Year's Party

The Los Lugarenos Dance Club will hold its annual New Year's Eve dance party tonight at Carlton Oaks Country Club, with a formal dinner-dance.

A social hour will get underway at 9 p.m. with dinner served at 9:30 p.m. Special guests of the club will be the Golden West Dancers, from Los Angeles. Mr. and Mrs. Lynn Boose are hosts for the affair.

Music will be provided by the Carlton Quintet.

Apollo-Related Art To Be Exhibited At USIU

Forty-four paintings, drawings, lithographs and watercolors related to the Apollo missions to the moon will be on display Feb. 22 through March 23 at the Keller Visual Arts Center, California Western Campus, United States International University, it was announced by Calvin Fortbrook, chairman of the Art Department.

The works of art are selected from the art program of the National Aeronautics and Space Administration and are circulating throughout the nation under the auspices of the Smithsonian Institution.

The Mission Apollo show will open with a reception on Feb. 22, 4 to 6 p.m., and will be open to the public Monday through Friday, 8 a.m. to 5 p.m., through March 12.

Service Set Tonight

The annual New Year's Eve service at Casa de Oro Baptist Church, will begin this evening at 9:30 p.m., with games, food, and fellowship.

Featured guests for the evening will be the youth from Maple View Baptist Church, of Lakeside, under the direction of Rev. Robert Parker.

Services will last until midnight.

Dogs Banned From Silver Strand Beach

Effective tomorrow, dogs will be prohibited from Silver Strand State Beach in Coronado.

The prohibition is an effort to provide beach users with safer and more sanitary beaches. Similar rules have been in effect at many City operated beaches throughout the state for many years.

Famed Dancer To Teach Class At Southwestern

The Southwestern College dance department will present the nationally famous dancer, Charles Weidman in a special two week course of master dance lessons beginning Monday, and running through January 15.

The lessons will be held in the Dance Studio at the College and all dance students and non-students are invited to register for the course.

Seating arrangements have been made to accommodate the general public wishing to attend the lessons.

Weidman is considered one of the founders of modern dance, having first performed a dance satire in 1926, for which he is best known. For several years Weidman conducted a dance school and concert company which traveled extensively throughout the country.

He combines pantomime and choreography which is considered one of the most difficult segments of modern dance. When not touring colleges and universities, Weidman keeps active by staging dance musicals for the New York theatre.

He has choreographed "Americana" and "I'd Rather Be Right", both long running Broadway hit musicals.

Following the series of Master Dance Lessons a special program will be presented featuring Weidman and the students of this area. The concert will be given on Saturday, January 16 in Mayan Hall at 8 p.m.

Mrs. Loretta Taylor, chairman of the college dance department is in charge of registering students who wish to take the master lessons. Information regarding registration and the concert can be obtained by contacting the dance department at Southwestern College.

Coastal Lagoon Bus Tour Set January 12

The Womens' Committee of the Natural History Museum, in Balboa Park, will sponsor a Coastal Lagoon bus tour January 12. The chairman of the tour, Mrs. Thomas P. Hearne, announces that the trip will begin at 9 a.m. Tuesday morning at the museum and will cover, within a five-hour period, five lagoons of San Diego County south of Oceanside.

Allan J. Sloan, the museum's Curator of Amphibians and Reptiles and a well-known naturalist, will identify many species for the bird watchers in the group and point out the necessity for maintaining the coastal marshes as breeding places for the Least Tern and the Clapper Rail.

Sloan states that the Black Rail has already been gone from this area for the past ten years.

The people on the tour will also be informed of the delicate ecological balance of wetlands and the threat to their existence by continually developing coastal properties.

Gulls To Start New Year With Phoenix

The San Diego Gulls start the New Year off with a flurry of activity, as they play three games in three different cities in the first three days of 1971.

The Gulls open activity tomorrow night at the Sports Arena as they face the Phoenix Roadrunners in a New Year's Night game, starting at 8 p.m.

Following tomorrow's game, the Gulls hit the road, playing in Salt Lake City on Saturday night and Denver on Sunday evening, before returning home.

The Gulls closed out their 1970 activity last night at the Sports Arena, hosting the Salt Lake Golden Eagles.

The Gulls have a 4-2-1 edge in the series against Phoenix, and five of the first seven games have been played in the Arizona city. The Gulls have a 3-2 edge in Phoenix and a 1-0-1 record at the Sports Arena.

San Diego also has series leads over Salt Lake and Denver, the other two opponents this weekend.

San Diego entered last night's game with a five-game losing streak, the longest of the season and the team's longest loss string since the 1968-69 season, when the Gulls lost six straight games in February, 1969.

The Gulls also dipped below the .500 mark for the first time since January, 1970.

In games last week, the Gulls dropped a 5-2 decision in Phoenix, and were beaten, 5-1, by Portland at the Sports Arena Saturday night.

Four People Arrested Here

Four persons were arrested in Lemon Grove December 14 on charges of possession of marijuana for sale.

Sheriff's deputies were on patrol in the vicinity of McKnight and Mt. Vernon, when they spotted the suspect vehicle at 9:15 p.m. not bearing a 1970 sticker.

It was learned that the driver, Phillip Torricelas, 23, of El Cajon, had no drivers license and was on probation for marijuana violations, and was subject to search at any time as a condition of the probation.

A search of the car netted 12 baggies of marijuana under the seat. Also taken into custody were the passengers, Kenneth Knedler, 20, of 8832 Lance st., Spring Valley, Sidney Craig, 25, of 7324 San Pasqual, Lemon Grove, and James Sunbury, 26, of 7273 Central, Lemon Grove.

Most CHP's Have Some College Work

A typical member of the California Highway Patrol is a young, married, family man with a better-than-average education and prior military service, CHP Commissioner H. W. Sullivan reports.

In the past five years, while the Patrol has grown to almost twice its former size, the average age of cadets entering the Academy has dropped from 26.6 to 25 years. The image of the Patrol is now a much younger one.

Almost 80 percent of the men entering the Academy are married and have an average of slightly more than one child per man.

Sixty to 70 percent of the cadets have had some additional formal education, averaging almost one and one-half years of college work. After graduation from the Academy, many members continue their studies at community colleges, state colleges and universities.

COUNTY OF SAN DIEGO NOTICE TO CONTRACTORS

Sealed proposals will be received at the Office of the Board of Supervisors, Room 306, County of San Diego Administration Center, 1600 Pacific Highway, San Diego, California, 92101, until 2:00 o'clock P.M. on Thursday, January 7, 1971, at or about which time they will be publicly opened and read in the same building in the Board of Supervisors Chambers, for construction in accordance with the specifications therefor, to which special reference is made, of portions of County Highway, as follows:
Construction of A Traffic Signal and Safety Lighting System at the Intersection of Jamacha Road (D 19) and Elkelton Blvd. in the Vicinity of La Presa

ENGINEER'S ESTIMATE

Item	Quantity	Discription
1.	Lump Sum	Construction of A Traffic Signal and Safety Lighting System

In accordance with Section 1773 of the California Labor Code, the Board of Supervisors has determined the prevailing basic rate of per diem wages, inclusive of fringe benefits, a copy of which may be seen in the office of the Clerk of the Board of Supervisors, Document No. 46(7-28-70).
The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, expressly or by implication, agree that that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.
All bids are to be compared on the basis of the Engineer's Estimate of the quantities of work to be done.
No bid will be accepted from a Contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.
The attention of bidders is particularly directed to the provisions of Sections 8-1.01 and 8-1.02 of the Specifications regarding subcontracting and assignment of the contract, respectively.
Plans, forms of proposals, bonds, contract, special provisions and specifications may be examined at the Office of the County Engineer, Bldg. 2, 5555 Overland Avenue, San Diego, California, 92123. Copies of plans and specifications may be obtained at said Office upon payment of $8.40. If payment is made by check, it should be made payable to the "County of San Diego". NO REFUND WILL BE MADE.
No bid will be received unless it is made on a form furnished by the County Engineer, and is accompanied by the security referred to therein. Forms of bid proposal and bonds may be obtained at the County Engineer's Office.
The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bonds or in the bidding.

Rockets-Lakers Hoop Fray Sat. May Bring S.D. Near Playoffs

SAN DIEGO, Calif. — The San Diego Rockets and Los Angeles Lakers will ring in the New Year with a pair of important Pacific Division contests this weekend.

The two teams play Friday at 8 p.m. in Los Angeles then come to San Diego for an 8 p.m. game Saturday.

Friday's contest will be televised to San Diego live over KCST-Channel 39 with Bob Chandler doing the play-by-play. Tickets for Saturday's match at the San Diego Sports Arena are on sale now at Arena Ticket office.

The Rockets and Lakers already met twice this season with each team winning at home. The Lakers captured a 130-112 decision there on Nov. 29 and the Rockets scored a 119-116 victory, Dec. 5, in San Diego with Elvin Hayes tallying 38 points and grabbing 30 rebounds in one of his best performances as a professional.

While the Lakers have led the NBA's Pacific circuit since the start of the season, the Rockets have been battling along with San Francisco for the division title and a playoff berth.

All-Stars Jerry West and Wilt Chamberlain will lead the Lakers aided by other starters Gail Goodrich, Happy Hairston and Keith Erickson.

Besides Hayes, Rocket coach Alex Hannum is expected to start Don Adams and John Q. Trapp at forwards and Calvin Murphy and Stu Lantz at guards.

Mount Miguel Eliminated From University Tourney

The Mount Miguel High School basketball team, seemingly on and off like a light bulb, turned onthe power in overtime play Saturday to bulb, turned on the power in cuit Monday afternoon and was eliminated from the University High School Tournament.

On Saturday night, the Matador generators started slowly, as Hoover jumped out in front of the Spring Valley cagers in the first period, leading 24-19 at the end of the first eight minutes of play.

In the second period, Mount Miguel lit up the scoreboard with excellent shooting from John Slater, Tom Young, and Sonny Crim. It looked like the local crew might have fizzled out in that period, as John Slater was called for three fouls in the opening minutes. He remained in the game, however, and committed no more fouls.

In the extra three minute span, it was Slater pulling the switch on Hoover, as he connected for 11 tallies. His teammates handled Hoover on the defensive end of the period, holding the Cards to four points, to get the win, 73-66.

For the winners, it was Slater getting 34 points and 25 rebounds, while Young stood out on defense, and Tim Miller chipped in with 12 assists.

On Monday, it was a different story for Spring Valley, as the Matadors came up against a rough Kearney crew that had beaten them soundly in two other outings.

The Komets dominated the contest from the opening tipoff, running away to a 20-16 lead after the first period. In the second period, the Matadors could do even less, watching the Komets draw away, 42-28 at half time.

The loss for the local team made the Mount Miguel record 5-6 and eliminated the Matadors from the competition.

Golf Derby Planned

The first Mexican Pro-Am Golf Derby will be introduced at the Tijuana Country Club February 15, offering $10,000 in prizes, and featuring several flights for amateurs.

The one-day derby will see flights of ten teeing off, with one golfer eliminated on each of the first six holes. The remaining foursome will continue in match play through the ninth hole.

BLOCKED SHOT — Monte Vista forward Gary Earle (white uniform) goes up to block the shot of a Grossmont High school player, in championship game of the Kiwanis Tournament last Wednesday night. Monte Vista won the game and the tourney title, 56-47.

Locals Bomb 'Hillers, Win Kiwanis Tourney

By Tom Blattler

The number one basketball team in San Diego County, the Monte Vista Monarchs, led by seniors Allen Bunting and Gary Earle, captured the Unlimited Championship in the 24th annual Kiwanis Tournament by defeating the Grossmont Foothillers, 56-47, last Wednesday night.

The game, which was held at San Diego State's Peterson Gym, was a tough defensive battle with the leading scorers in the game having only 14 points each.

Monarchs Bunting and Earle, along with Grossmont's Ralph Drollinger were top scorers.

The win was the tenth straight for the Monarchs without suffering a defeat this season. Grossmont's record is now six wins and four losses.

Again it was Monte Vista's fast break that gave them a quick 18-13 lead at the end of the first quarter. In the second period, the Monarchs grew weary and could only manage six points as the Foothillers netted 11, to knot the score at 24-24.

In the third stanza, the Monarchs again started their blazing fast break and the taller but slower Foothillers just could not keep up the pace. Monte Vista outscored Grossmont, 17-9, and the Monarch cagers led, 41-33, going into the final period.

The fourth quarter was pretty much a stalemate with the Monarchs outscoring the Foothillers by just one point, 15-14. Monte Vista had its first Kiwanis Championship as the team led at the final buzzer.

Also scoring in double figures for Monte Vista was senior guard Bob Papciak who recorded 12. Kevin Enright and Steve Staats had eight points for Grossmont.

Bunting and Earle both made the All-Unlimited Division team long with the Foothillers' Enright. Also picked to the team were Mike Honz of Helix, James Ross from Kearny, Patrick Henry's John Service, and Keith Walker of Morse.

Monte Vista is now at Newport Beach competing in the Newport Harbor Christmas Tournament.

Monarchs Take First Encounter

Monte Vista High School's basketball team, traveling to the Newport Harbor Optimists Tournament instead of playing in the University Tournament as it has in the past, overcame injuries and illness to beat Victor Valley 64-63 Monday night.

The Monarchs, who lost Bob Papciak to a sprained ankle, and got stunted performances from Alan Bunting and Carl Stucky, who were stricken with the flu, nevertheless jumped away to their usual first period lead, continued to lead in the second period then hung on in the second half to win.

In the opening round, the Monarchy rode the crest of Gary Earle's fine shooting to open a 12-point margin. The Victor Valley crew came back to within two points as the quarter ended, as Papciak came out lame and Bunting rested.

In the second period, Bunting came back to help his teammates widen the gap again. The Monarchs led by ten tallies at halftime.

In the third period, Victor Valley engaged slow down tactics and made enough shots to come within four points of the Spring Valley school.

In the final period, the excitement and tenseness of the contest grew, as Victor Valley narrowed the gap. The Monte Vista team, however, never relinguished the lead, and hung on to win by a single point.

On Tuesday night, the Monarchs recovered somewhat from the flu, as Allen Bunting tossed 22 points to lead them to a 61-55 conquest of Clark High School.

Gary Earle was also instrumental in the win, as he canned 18 points to help the Monarchs to their twelfth victory in as many games this year.

The victory enabled the Monarchs to take on Camarillo High in the finals last night.

Brown Defends Andy Williams Tourney Title

Sensational come-from-behind winner of the last Andy Williams San Diego Open Golf Tournament, Pete Brown has announced he will be back to defend his title at the 1971 event slated for Jan. 26-31 at Torrey Pines.

Brown burned up the course with a final round 31-34-65 to make up six strokes on no less a golf personage than Jack Nicklaus, then defeated U. S. Open Champion Tony Jacklin in a sudden-death play-off on the first extra hole.

Nicklaus had missed a four-foot putt on the 18th that would have made it a three-way tie. Brown also missed a four footer that would have won the tournament outright.

With all the psychology in Jacklin's favor, Brown calmly shot a par four in the playoff as his British opponent recovered from the rough for a five.

Brown thus won his first event since the 1954 Waco Turner Open at Burneyville, Oklahoma, and became the second black golfer ever to win a PGA tour event. Charlie Sifford had won the 1967 Hartford and the 1969 Los Angeles Open.

Census Bureau Plans Survey

Questions on consumer buying and home improvement expectations will be asked by representatives of the Bureau of the Census in this area during January, according to Leonard C. Isley, Director of the Bureau's regional office in Los Angeles.

The question are asked four times yearly as part of a nationwide effort to collect information as a guide to Federal agencies and other groups in developing programs based on consumer spending patterns.

A sample of residents in Lemon Grove and Spring Valley will be asked if they expect to buy a house, car, or major applicance during the next year and if they have made recent purchases of these items. Homeowners will be asked about home improvements and repairs during the last three months and any planned for the future.

Information supplied by individuals participating in the survey is kept confidential by law and will be published only in the form of statistical totals.

Scholarships Planned

James Hall College of Beauty announced this week that scholarships will be awarded to high school students in the area to attend cosmetology school in the latter part of January.

Students must be juniors or seniors to be eligible for the scholarships.
